## HOPKINS COUNTY 2018 BUDGET AMENDMENT POLICY

Hopkins County Policy allows a Department Head, Appointed or Elected Official or his/her designees to request budget amendments throughout the fiscal year as follows:

### ❖ **BUDGET AMENDMENT STATUTE:**

Pursuant to Local Government Code Section 111.070 the Commissioner's Court may spend county funds only in strict compliance with the budget. The Commissioner's Court by order may amend the budget to transfer an amount budgeted for one item to another budgeted item without authorizing an emergency expenditure.

### **1. ROUTINE BUDGET AMENDMENTS:**

Transfers may be made up to \$2000 (cumulative total for Intra-Departmental Operating Transfers for the fiscal year) between operating line items and between budgeted capital items within an individual departmental budget. This type of amendment will be presented on the Commissioner's Court regular agenda item for Intra-Departmental Operating Transfers. The amendment summary will be sent to each member of the Commission's Court and other affected departments three working days prior to the actual Commissioner's Court meeting. When a line item will be increased or decreased by more than \$2000 (cumulative total for Intra-Departmental Operating Transfers for the fiscal year).

### **2. NON-ROUTINE BUDGET AMENDMENTS:**

***Inter-Departmental-*** Any amendment which moves funds from one elected official or department heads budget to another elected official or department heads budget must be presented to Commissioner's Court for consideration and action.

***Inter-Fund-*** Where permitted by law, any amendment which moves funds from one fund to another fund must be presented to Commissioner's Court for consideration and action.

***Personnel-*** Requests to transfer funds from any salary or benefit account are allowed for the specific purpose of salary related expenditures such as contract labor. Budget amendment requests for capital and operating accounts from personnel line items are allowed if there are no other funds available in the department's budget and the Commissioner's Court deems it to be necessary.

**Capital-** Any request for additional capital equipment must be justified and specified in detail with cost estimates. Requests to utilize excess funds from the purchase of capital equipment for additional items not included in the adopted budget or substitution of one item for another also requires approval from the Commissioner's Court. Surplus funds in a budgeted capital item can be used for Intra-Departmental Operating Transfers with Commissioner's Court approval.

**Computers-** Any request for computer equipment requires a written recommendation from the Manager of Information Systems when submitting Request for Budget Amendment form to the Auditor's Office.

**Employee Positions-** New employee positions cannot be created without Commissioner's Court consideration and action. Creation of a new position within a departmental budget will require that the Commissioner's Court declare an emergency unless the actual line item under which that new position would be categorized currently exists within that specific budget. New employee requests outside of the budget process must include substantial written justification for that position.

**Employee Vacancy-** When a vacancy occurs, the department head or elected official must notify the County Judge immediately; an action item for the position will be placed on the next available Commissioner Court agenda. (Fire Dept., Sheriff Deputies, and Jail Department are excluded from this provision).

**New Line Items-** Creation of a new line item that has not been previously created for the specific department will require that the Commissioner's Court declare an emergency in order to establish a new line item.

**Special Projects-** Any special projects funded by donations that are not completed at the end of the current fiscal year, upon vote by the commissioner's court, the balance of the unused expense can be added to the appropriate budget in the next fiscal year in order to complete the project.

❖ **EMERGENCY BUDGET AMENDMENT STATUTE:**

Pursuant to Local Government Code, Section 111.070 (b), the Commissioner's Court may authorize an emergency expenditure as an amendment to the original budget only in a case of grave public necessity to meet an unusual and unforeseen condition that could not have been included in the original budget through the use of reasonably diligent thought and attention.

**❖ REVENUE BUDGET AMENDMENT STATUTE:**

Pursuant to Local Government Code, Sections 111.0705 through 111.0708, when revenues not included in the original budget are received, such as proceeds of bonds or other obligations, grant or aid money, revenue from intergovernmental contracts, and pledging revenue as security for bonds and other obligations, a budget amendment is required to expend those funds. The adopted countywide budget will increase, however the revenue will balance the expenditure. This type of amendment must be submitted to Commissioner's Court for consideration and action.

**❖ RESTRICTED LINE ITEM TRANSFERS:**

Certain line items have restrictions which are only allowed for specific purposes:

1. The sheriff may do routine line item transfers between the Sheriff's Department (010-560), Dispatch (010-562), Extradition (010-564) and Jail (010-563).
2. General Fund Contingency Line (010-401-490); funds may be transferred by Hopkins County Commissioner court vote to any other general fund line that exists in the budget at their discretion, including existing personnel lines where there was no initial budget.

**❖ PROCEDURES:**

1. Any request for a budget amendment must be justified and submitted to the Auditor's Office 7 days prior to Commissioner's Court in order to be placed on the agenda.
2. Budget Amendment transfer authorization may be delegated by the Elected/Appointed Official to other employees. Notification of signature authority must be on file in the Auditor's Office before requests are accepted.
3. The Commissioner's Court reserves the right on a case by case basis, where legally permissible, to curtail a department's right to make Intra-Departmental Operating Transfers if the budget transfers appear to be making a programmatic change that was not approved by the Commissioner's Court in budget hearings or if the financial condition of the department and/or the County warrants such a curtailment.
4. Copies of approved Budget Amendments will be sent to the appropriate department(s) after the amendment is posted. The Auditor's Office is responsible for posting budget amendments and line item transfers on the financial computer system once the request have been approved by the Commissioner's Court.
